👤 Profile

I am an enthusiastic and hardworking person looking forward for an opportunity in software development field. I belong to Delhi and I got the opportunity to study at Navgurukul Foundation which trains soft skills to girls from underprivileged society. So, I want to fulfil my parent's dreams.

💻 Experience

Food Coordinator - 1 month

I worked as food coordinator. I learn many things in this post i learn to mange things related to kitchen and i learn to maintain proper budget sheets .i improved my confidence level while talking with girls and volunteers.

Outreach Coordinator - 3 months

I handled social media accounts of Navgurukul and captured all the photos and videos of cultural activities at the campus.

Treasurer - Currently doing

I am working as Treasurer at Navgurukul. I learned to manage the budget of the residential campus, how to deal with vendors and how to manage all expenses in a limited budget.

Travellling Coordinator - 3 months

I manage the travelling of the students who come to Navgurukul campus from their homes. I ensured that they reached the campus safely.
